Dear Parent/ Carer

Re: E-Safety Awareness

As part of our school's events surrounding national E-safety Week 2017, we have invited Saltmine Theatre Company into school to deliver their *Escape K3.4* production to all Year 7, 8 and 9 students on Wednesday 8 February 2017.

The show and its accompanying interactive workshop address the negative issues that surround the internet, social media and the impact they can have on individuals. Online bullying, internet dependence, compulsive online gaming and pornography addiction are some of the issues highlighted in a safe, secure and respectful manner.

The show is designed for students in Years 8 and 9, but we, as a school, believe that our Year 7 students should also be given this opportunity to understand and learn how to recognise the dangers that the internet and social media may present, so that they can keep themselves safe.

If, however, you would prefer your child did not take part in this event, please complete and return the below form no later than Friday 27 January 2017.

Yours sincerely

Mr Roberts
Principal

Please return to: Student Reception by **Friday 27 January 2017.**
