Dear Parent / Carer,

Re: E-Safety Awareness

As part of our school's ongoing commitment to E-safety, we would like to invite you to attend an information evening based on 'Kayleigh's Love Story'. This is a true story about how a young girl was groomed online over a two-week period, which ultimately resulted in her murder.

This session has already been delivered to our Y8 students, to inform and educate them about the dangers which can be associated with the internet and Social Media. We would now like to deliver this session to our students' parents and carers, so that we can help you to support your child with understanding these important issues.

The information evening will take place on **Tuesday 11th July 2017 from 5.30pm – 6.30pm** and will highlight the dangers our students may encounter online, with a specific focus on online grooming, and how you can support your child by being aware of the potential risks and associated danger signs.

If you are able to attend this information evening, please complete and return the form below, no later than **Friday 7th July 2017**.

Yours sincerely

Mr Scruby
Vice-Principal

Please return to: Student Reception by Friday 7th July 2017.
