

31 January 2018

Dear Parent / Carer,

Re: Safer Internet Day 2018 and Digital Well-being

As part of our school's ongoing commitment to ensuring students understand how to stay safe online, we are supporting '**Safer Internet Day 2018**'. This is a global campaign, celebrated on Tuesday 6th February 2018 with the slogan, "**Create, Connect and Share Respect: A better internet starts with you**".

Students will be taking part in VMG sessions to learn about their responsibilities to be positive, safe and respectful online through exploring the opportunities the Internet has to offer in a positive way by considering how they interact with others. Additional information can be found here:
www.saferinternet.org.uk/safer-internet-day/2018

You can find further e-safety information, resources, and links to help support your son / daughter to be responsible with their use of technology and the Internet, on our school website:
www.newbold.outwood.com/safety

Many thanks for your continued support to ensure all our students understand their responsibilities for their own digital well-being and online consideration of others.

Yours sincerely

Mr Thurlow
Associate Assistant Principal (DEEP Support)
