Dear Parent/Carer,

Re: Modern Foreign Language Choice for Y8 and Y9

Today your child has had an assembly where myself and Mrs Foster; our head of Modern Foreign Languages, have explained that they will receive a choice of the language they will study in Year 8 and 9.

The options are:

- To continue learning both Spanish and German
- To study just Spanish
- To study just German
- You don't have a preference, so you will allow your MFL teachers to pick the option they feel is most appropriate for you.

When we return after Easter holidays, during one of their MFL lessons, Y7 students will be asked to pick their preferred option. We feel that it is really important that you as parents and carers are aware and have conversations with your child to ensure that they are making an informed decision and picking the option that is right for them.

To assist you in this process, your child has also been given a personalised letter from the MFL team giving their advice based on your child's performance in both German and Spanish lessons.

Thank you in advance for your support.

As always, if you have any questions then do not hesitate to get in touch.

Yours faithfully,
