

29th September 2023

Dear parents and carers,

“Year 11 Success Evening” - Thursday 5th October.

I would like to invite you to our “Year 11 Success Evening” on Thursday 5th October from 17:30 to 20:15.

This event is going to be the perfect opportunity for you to see and hear expert advice on the best ways to prepare for an extended period of exams. We will be covering topics such as English and maths preparation, general revision activities for active learning, maintaining a healthy mindset, eating your way to success as well as providing you with a variety of tips and tricks on how best to support your son or daughter.

We would love to have all of our students attend with a family member for the full evening. In exchange for attending the event we will provide all students with a goody-bag containing revision guides, revision materials, relaxation aides and a selection of foods and drinks for supporting their body during the exam period.

The timing of the event is important as the next round of mock exams begins on Monday 6th November. Following the mock exams is a structured and well planned intervention programme that will be designed to fix the misconceptions and gaps that students have in their learning. The advice that we give at this event is tailored towards the work that we know our students will need to do in order to achieve their potential this year.

The structure of the evening will be as follows:

- 17:30 - Arrival and refreshments with the opportunity to speak to the subject and senior leaders.
- 17:45 - Presentation from Mr Southern in the main hall.
- 18:10 - Carousel of activities from subject and senior leaders in classrooms.
- 20:15 - Departure.

Please complete this [short form](#) to confirm your attendance and indicate how many people from your family are likely to be attending.

I look forward to seeing many of you on Thursday 5th October.

Yours sincerely,

Rob Southern
Principal
