

20 March 2023

Dear parents and carers,

There is an information and consultation evening planned for Monday 27th March for all parents and carers with a son or daughter in Year 11.

This event has been added following the cancellation of parents evening on 9th March due to the heavy snow. A further parents evening has been arranged for 27th April 2023 but we feel that this is too late for our Year 11 students as they will benefit from hearing the advice and guidance of their teachers prior to the Easter holidays.

There will be two presentations available for parents and carers to attend that will be delivered by Miss Sharpe (Head of English) and Mr Livingstone (Assistant Principal with responsibility for Maths) and will provide parents and carers with the best advice possible to support your sons and daughters as they prepare for their GCSE exams. The presentations will be available at either 15:00 or 17:30 and parents and carers need only attend one of them.

The event will run as follows:

- 14:45: Parents, carers and Y11 students arrive and go to the assembly hall.
- 15:00: The first presentation begins.
- 15:30: Parent consultations with Y11 teaching staff begin.
- 17:25: Parent consultations with Y11 teaching staff finish.
- 17:30: The second presentation begins.
- 18:00: The evening finishes.

Students have been issued with a booking sheet in order to make appointments with their teaching staff throughout the week.

Please get in touch via the [enquiries@newbold.outwood.com](mailto:enquiries@newbold.outwood.com) email address if you have any questions or you require any support in making appointments.

Yours sincerely,

**Rob Southern**  
**Principal**
