

23 June 2022

Dear Parent/ Carer,

Information about Praising stars and Parents' Evening

I hope you have found your son/daughter's Praising Stars report a useful document and that it has allowed you to feel informed about your son/daughter's academic progress, effort, behaviour in the academy and attendance. Our final Praising Stars report (PS6) will be sent out towards the end of the term. This will reflect their progress across the academic year and before students 'roll over' to their next years' timetable. Alongside this you will have one final opportunity to come in and speak with your son/ daughter's teachers this academic year, our final parents' evening is due to take place on the 7th July 2022 between 4pm - 7pm.

Our final parents' evening is open to years 7, 8, 9, 10 and 12. Teachers would have opted to see students by ticking on their Praising Stars 5 report for a particular subject. If a subject has been ticked then your son/daughter will be required to book a 5 minute appointment with that member of staff. If a subject has not been ticked, but you wish to book an appointment with that member of staff, you may do so in the same way. Support staff, teachers and learning managers can help support this process with your son/daughter if you feel they may struggle to book appointments on their own.

Those of you who attended our second parents' evening will have booked via our online system. This continues to our preferred method, however, on this occasion we need to revert back to a paper based system due to the timetable being rolled over at around the same time. Please find the below appointment sheet for you and your son/daughter to make your appointments. Copies of the appointment sheet are available in the academy for students to collect.

Parents' evening is an excellent opportunity for parents and carers to discuss progress, effort and how best to support your son or daughter during the next academic year.

If you have any further queries or questions please do not hesitate to email me at: c.schulze@newbold.outwood.com or contact the Academy.

Yours sincerely,

Ms C Schulze
Vice Principal
