

18th March 2024

Dear Parent/Carer,

Red Nose Day - Thank You!

It is with immense pride that I write this letter. On Friday 15th March we ran several activities in order to promote Red Nose Day and raise some money to support the charity. The charity aims to raise money with the intention of ending child poverty around the world. The organisation funds programmes to keep children safe and healthy while providing them with support and education.

In the academy we ran football competitions, quizzes, a bake sale, a best joke competition amongst other things. In addition to this, we asked all students to complete a sponsored mile run, jog or walk. Throughout the day, students from different year groups took part in this activity, running a mile route around the local area. The support shown from the public was incredible and we were blown away by the generosity of our students, their families and friends as they raised a whopping £6950! The main reason for writing this letter is to say a huge thank you.

As well as saying a big thank you to you all, I would like to publicly recognise the incredible efforts of Miss Ward who coordinated the academy's Red Nose Day activities, Mr Bingham who alongside the academy's Student Parliament ran a wonderful bake sale and Mrs Rogers and the PE department who planned and led the one mile run.

As I mentioned above, students took part in a 'best joke' competition, so I am going to leave you with my favourite two.

Can I tell you a joke about construction?
I'm still working on it.

How many tickles does it take to make an octopus laugh?
Ten tickles.

Yours faithfully,

Mr A Tice
Assistant Principal
