Dear Parents/Carers,

Stand Against Violence

On the 8th February we have a company called Stand Against Violence coming into the Academy to deliver assemblies and workshops to our students.

The assemblies will be for Year 7, 9 and 10. This assembly is focused on Anti-bullying and 'Amber's story'. This is a powerful session that addresses the issue of bullying. Using the true story of Amber, a young girl whose experience was such that she took her own life. The assembly sensitively discusses; what is bullying, the different types of bullying, primary and secondary victims, the bystander effect and how to safely deal with bullying.

If you feel that this assembly will not be suitable for your child then please let their learning manager or form tutor know.

Your Sincerely

S. Jenkins
