

18th December 2023

Dear Parents/ Carers,

### **Year 11 Revision evening and “Pie and Peas” dinner - Thursday 11th January**

I would like to invite you to our Year 11 revision evening on Thursday 11th January with the option of joining us for a pie and peas dinner prior to the event.

This evening is focused on how to revise specific areas of English, Maths and Science. The previous event that you attended, the Year 11 Success Evening, was about generic revision skills and healthy living. This event is much more focused on particular skills that have been identified from the recent mock exams as requiring some additional work.

I am aware that attending the academy in the early evening has the potential to impact on your dinner arrangements and therefore this invitation includes an offer of dinner for you and your son or daughter. This will also give you the opportunity to talk to other parents and carers about the challenges that are faced when supporting a young person through their GCSE year.

Our next round of mock exams starts immediately after the February half-term, and therefore this event is ideally placed to provide you and your son or daughter with the opportunity to start effective revision with plenty of time for it to have an impact.

The plan for the evening is as follows:

5:00PM - Pie and peas dinner in the academy restaurant (optional).

5:40PM - Welcome and introductions in the academy hall.

6:00PM - 3 x 20 minute sessions in English, Maths and Science.

7:00PM - Opportunities to speak to teaching staff (optional).

7:30PM - The academy closes.

Please can you complete this [short form](#) to confirm your attendance to the event in order to help us plan the food requirements.

Yours sincerely,

**Rob Southern**
