Dear parents/carers,

Battle with Cancer: Assembly and in-school coffee morning

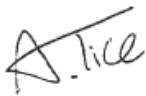

We are in a very fortunate position that Chesterfield FC legend Tony Lormor will be joining us to deliver our assemblies for the W/C 21st November. He will be talking about his battle with cancer and the impact it has had on his family members.

At the end of the week, on Friday 11:00-12:00 students will have an opportunity to have a hot chocolate and come and speak to Tony about his experiences and their own experiences. This is completely voluntary. Students will not need to register for this.

Due to the nature of these assemblies, we are aware that this may cause upset to students, particularly those who have experienced cancer in their own lives. If you feel your child may find the assembly difficult, there is the option of them not attending or sitting on our balcony at the back, away from others. If you feel this is the case, then please make myself or their Learning Manager aware.

Along with this letter, attached are some posters about the support that Tony and Chesterfield FC Community Trust offer.

Yours sincerely,

Mr Tice
