

26 September 2022

Dear Parent/Carer,

### **Y7 Trip to Bletchley Park - Friday 7th October 2022**

As part of the mathematics syllabus, students in Year 7 study 'Cypher writing'. We are extremely lucky as we are able to take students to Bletchley Park where Alan Turing cracked the Enigma Machine. We are inviting all Year 7 students to attend the trip to further enhance their knowledge and experience of mathematics.

The trip will take place on Friday 7<sup>th</sup> October 2022. Students need to be at school for 7:45am, ready for the coaches to leave. Students will then arrive back at school at approximately 4:00pm and will need to be collected from the school gates.

The price for the trip will be £30, including the entrance ticket, activities, and coach travel which can be paid via the Parent Pay system. We have had to raise these prices from what we originally hoped they would be due to the rise in the fuel costs. If you are concerned about the cost of this trip then please speak to us directly as we do not want any students to miss out on such a valuable opportunity.

Please ensure that you complete a parental consent form and permission slip and return this to me as soon as possible.

We ask that students wear their full academy uniform for the trip, but also bring a coat in case of wet weather as some of this trip will involve being outside during the tour of Bletchley Park.

As we will be there for the full day and food facilities are not available, we ask that students bring a packed lunch with them for the day. If your child receives free school meals, please indicate if you would like us to provide them with a packed lunch.

Yours sincerely,

*M. Livingstone*

**Mr M Livingstone**  
**Head of Mathematics**
